

Wizard Toys

The Power to Play!

SI2 Heaven Project Concept

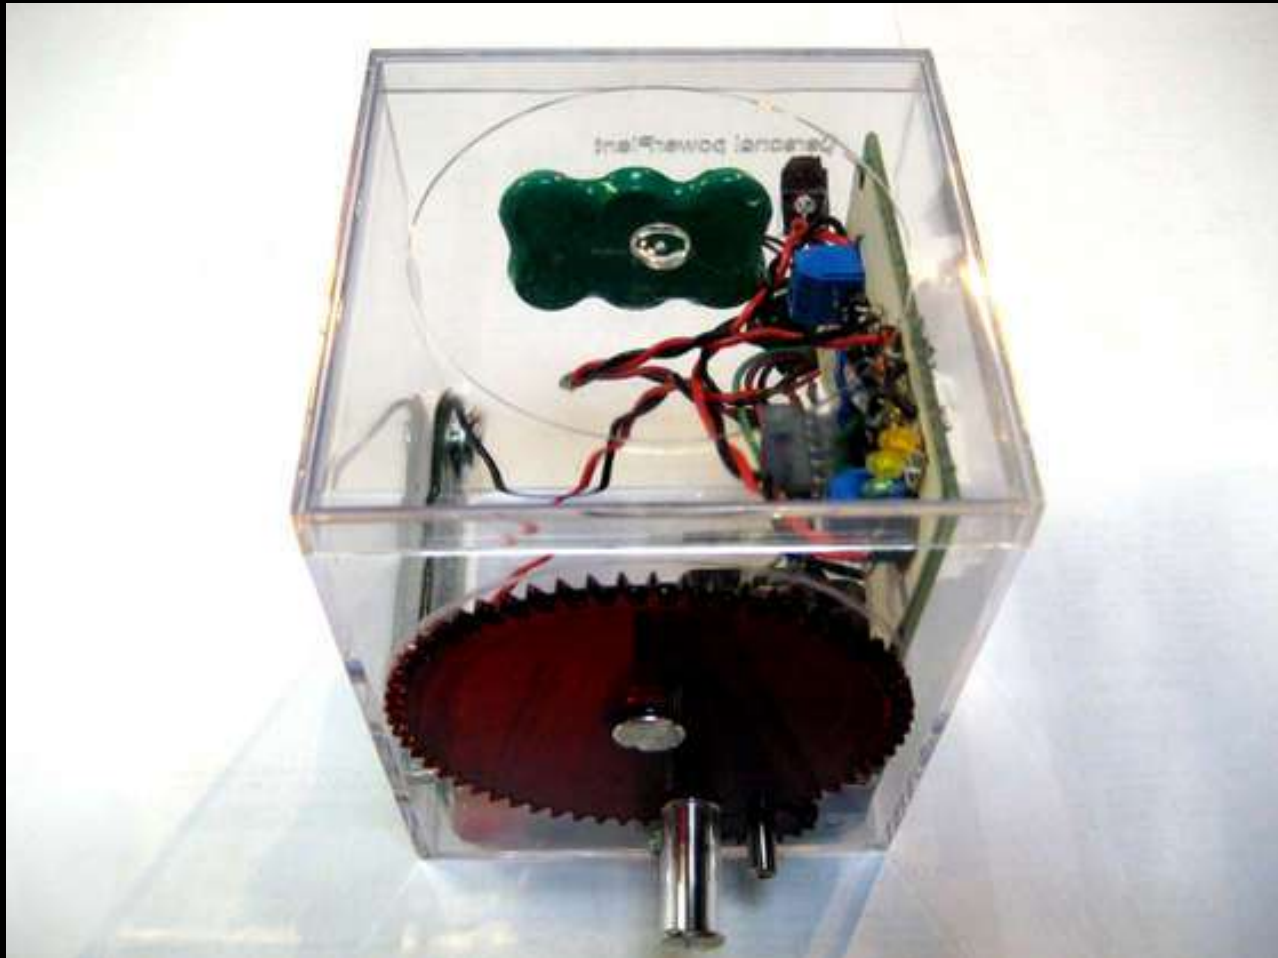

- Bicycles in the gym power the fans.
- Playground equipment powers lights in park.
- They use rain and solar as well for other functions.

Bicycle iPod Chargers, Other Stuff

Human Power Plant

My Part in the “Movement”

I wanted to make something

Magical!

Simple!

Fun!

And most importantly

For the children!

How it works!

+

Pics of the Construction

Questions?

- Let's talk about it!
- Special thanks to Mum, Dad, Zara, Brandon, Jo-anne, Joe, Melissa Reese, and Father Julian.
- Demo music by Nurykabe for Knytt Stories.
(A song called "Alibis," edited for this project)
