Exceptional service is our way of saying how much we value your families commitment to our centre. Our highly trained staff are dedicated to upholding the highest level of teaching.

### Programs

**Dippas**  
Specifically designed for infants and toddlers. The goal of these classes is to make your child water safe.

**Flippas**  
Once a level of independent water safety is attained, we can combine this with learning correct, basic swimming drills.

**Nippas**  
This program covers basic Learn to Swim through to Advanced Stroke Technique Correction.

**Senior Squad**  
As well as teaching advanced stroke techniques, we now introduce correct training techniques and endurance training.
