Imagine your child's delight at having their favourite Disney characters larger-than-life at their very own party.

### Why choose Star Jumps?

- Our castles are novel, unique, clean and new and the only Disney licensed bouncy castles in WA.
- Our Disney licensed range of castles feature familiar, much-loved Disney characters guaranteed to delight all ages.
- Our castles can hold adults as well as children so Mums & Dads can enjoy a bounce too!
- All castles are cleaned and disinfected following each rental.
- All castles have covers to filter sun & rain.
- **Superior artwork and design.** All images are digitally printed for a dramatic, longer-lasting effect. This ensures that the castles maintain as-new condition regardless of the traffic they receive.
