

Dead Baby Jokes

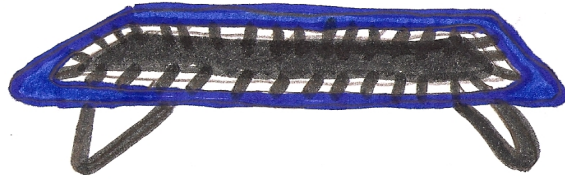

Project 1
The Uncanny
Haley Elander
September 17, 2008

Why do you stick
a baby in the
blender
feet first?

So you can see
the expression on
it's face...

What's the difference

between a dead baby
and a trampoline?

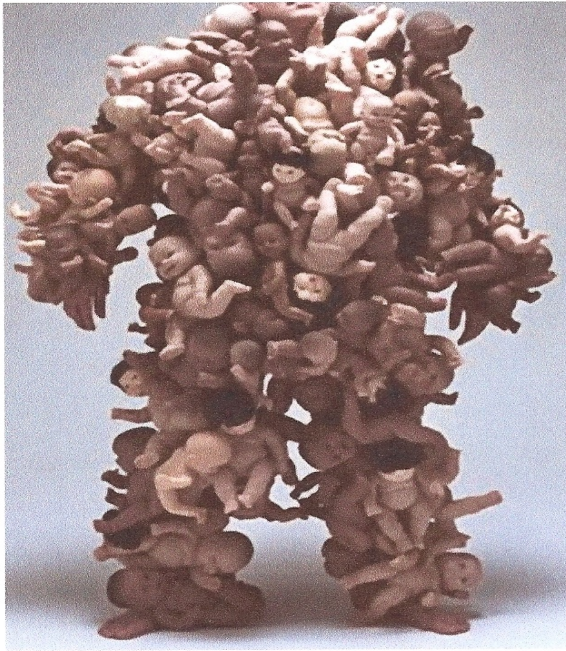

When
on a

you jump
trampoline

you take your boots off...

How do you get 100 babies into a bucket?

With a blender....

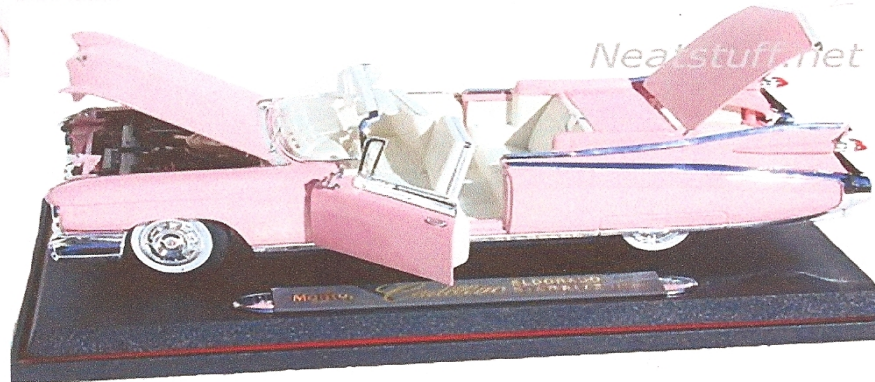

How do you get them out again?

With tortilla chips...

What's the difference
between a pile of dead
babies and a Cadillac?

I don't have a Cadillac in my garage...

What's the difference between a dead baby and a baked potato?

I would never stick my thing in a baked potato before I ate it...

Analysis of my personal uncanny experience....
