

International Security Management Association.txt

Subject: Comments to proposed rules
Date: Thu, 17 Apr 2003 09:02:07 -0400
From: "George Campbell" <gcampbell170@attbi.com>
To: "RegComments, CII" <CII.RegComments@HQ.DHS.GOV>
CC: <Isma3@aol.com>

If you maintain a list of interested parties to proposed rules affecting private sector security, please add isma3@aol.com to your list. The International Security Management Association (ISMA) represents the Chief Security Officers of the 400 largest corporations including the critical infrastructures. As such we can get this membership engaged as a single point of contact on matters of mutual interest.
