Subject: Comments by NERC on Critical Infrastructure Information rulemaking
Date: Fri, 13 Jun 2003 16:35:36 -0400
From: "David Cook" <David.Cook@nerc.net>
To: "RegComments, CII" <CII.RegComments@HQ.DHS.GOV>

Associate General Counsel (General Law)

Attached please find the comments of the North American Electric Reliability Council on the Department's proposed regulations establishing procedures for handling critical infrastructure information, in Docket No. RIN 1601-AA14. I have also sent hard copies by overnight service.

Please let me know if you need anything additional. Thank you.

David Cook
NERC General Counsel
