Greeting from Taiwan!

PDA ACCESSORIES - Create your new business lines; please visit our website
www.pdarun.com

Dear Purchasing Manager,

Please allow us to introduce you D-Media briefly...

D-Media Technology Co., Ltd. founded in 1996 in Taipei, Taiwan, is a global leading developer in the network computing technologies and is a pioneer supplier of digital image processor, net communications and others computer lines that rose from humble beginnings.

D-Media also in 2000 has succeeded to be the exclusivity of **Casio PDA – Cassiopeia Pocket PC in Taiwan region** and has achieved the big reputation from the PDA business. In order to provide the most effective product lines to the customers in the world, D-Media now specializes and expands to establish the newest business lines – **PDA accessories**. D-Media not only owns its own manufacture but also provides the top quality products to fulfill PDA market standards.

Sincerely looking forward to hearing from you soonest.

Yours truly,
Sales Department
